

# Online Services Application Form

Stock Surgery offers access to certain aspects of your medical record by using our on-line service. Use this form to register to use our on-line services which allows;

- Appointment booking
- Appointment cancellation
- Repeat Prescription Ordering

You can also use this service to view online, export or print summary information from your medical record relating to

- Immunisations
- Current and past medication
- Allergies or adverse reactions

For security reasons you will need to provide photo evidence of your identity such as a passport or photo driving licence before receiving you access username and password.

You can only apply for yourself on this form and must be aged 16 years or older.

When the form is completed, please hand it in at reception. Reception will process the form and hand you your access details.
