

GUIDANCE FOR PATIENTS REQUESTING EXEMPTION LETTERS FOR FACE MASKS/COVERINGS

We are aware that some patients might be understandably anxious about the Government's recent announcement around the use of face masks/coverings in various public settings.

GP's are unfortunately not in a position to provide individual risk assessments or letters for patients who feel that they should be exempt from wearing a face mask/covering.

The Governments advice on the use of face coverings can be found on the following websites:-
